NORTH WALES NETWORK

Our North Wales network now covers several static and digital formats from small to large scale.

Our North Wales digital network now covers three formats; digital 6-sheets (D6s) and our largest formats, a digital mega-6 in Wrexham and a digital landscape 48 sheet. Our North Wales Network reaches over 700,000 people per week.

Our double-sided **Mega D6** is located on the entrance and exit road to Eagles Meadow Shopping Centre in Wrexham, reaching over 410,970 people per week.

A stone's throw from Wrexham AFC and Wrexham University, we have **digital 48 sheet**, reaching an estimated 100,000 people per week.

Our D6 network now covers four screens across three locations in North Wales; Bayview Centre in Colwyn Bay, Deiniol Centre in Bangor and White Rose Shopping Centre Rhyl.

Across our railway inventory we cover Wrexham, Rhyl, Colwyn Bay, Llandudno Junction, Bangor and Holyhead. We also have opportunities for bespoke projects at other stations across the network.
