

SWANSEA

THE PLANNING PROCESS.

We tailor each campaign to suit your brief, and will assist you from the start, right through to post-campaign analysis.

ROUTE

SWANSEA

NEATH

CARMARTHEN ROAD.

Our static 48 sheet on Carmarthen Road is a key route into the city centre stretching between the B4489 High Street in the city centre and the A483 Pontardulais Road to the northwest.

This road is home to several businesses making it a great opportunity to advertise your message to commuters, residents and shoppers. On route to the Fforest-Fach Retail Park you will pass The Range, Iceland, Aldi and McDonalds.

The city centre also features several national brands including JD Sport, Pandora, Primark and is home to the highly rated Dragon Hotel.

This site receives 163,121 impacts per week.

SWANSEA.

Our Swansea network is ideal for reaching commuters into the city. Across the city centre car parks, Swansea arena car park, Swansea Bus Station and Swansea Train Station we have seven digital 6-sheets (D6s) and a larger format landscape screen. This network of sites reaches an average of 529,806 people per week.

Network Features

- 📍 Key city centre car parks; Quadrant, St David's, High Street and the new Swansea Arena.
- 📍 Swansea Bus Station's pre-Covid passenger figures were 9.19million per year.
- 📍 The re-developed station opened in 2010 and also houses a Greggs bakery, Costa Coffee and a Co-operative store.
- 📍 The station has 20 stands for local bus services with three more serving national coach services.
- 📍 Swansea Train Station serves routes from across Wales as well as key lines from England.

BIG

NEATH.

Our double panel static 48 sheet in Neath faces oncoming traffic heading southbound through Britton Ferry.

The A474 is heavily used by vehicles coming to and from Baglan, Port Talbot and Neath while also connecting onto Wales's main route, the M4. It's near Britton Ferry Railway Station, a destination part of the South Wales Valley line.

This sheet is a great opportunity to advertise to residents and daily commuter. It reaches 37,234 people per week.
